

**Neighbourhood Walking Trip/Activity
Consent Form 2017/18**

Student Name: _____ **Division:** _____

(Please Print)

During the school year, your child will be involved in a variety of neighbourhood walking trips or activities that relate to their studies. These can include walks to the library, park or community centre or participation in warm-up runs or fun runs around the school. These supervised trips or activities are usually of short duration and at no cost.

The school requires permission for your child to participate in these walks or activities. Rather than sending home a permission form for each trip, we are asking that you sign below to cover all neighbourhood walking field trips or activities for this school year. Should you not wish your child to participate, school staff will assign the student other learning activities at the school.

While school staff always take reasonable steps to prevent injuries, some degree of risk is inherent in the nature of activities and may occur without fault on the part of the student, school board, its employees or agents, or the facility where the activity is taking place. By allowing your child to participate in the school activity, you are agreeing that the activity is suitable for your child and that there is a risk of injury associated with the activity.

Please note: You will still receive a separate field trip permission form for field trips that require vehicle transportation or are longer in duration.
